Current Catalog Description (cut and paste present description from online catalog):

Physical Education

Bachelor of Science in Education (Certifiable K-12)

Missouri State University is approved by the Missouri State Board of Education to offer basic and advanced professional education programs for purposes of professional certification. Admission to the University does not automatically qualify a student to participate in the professional component of the teacher education program. That participation is granted upon demonstration of a high level of academic and professional competence. Successful participation should result in the student's achieving certification to teach in Missouri public schools.

All students desiring Missouri certification are required to submit a professional portfolio. This portfolio will be assessed, evaluated, and monitored throughout the teacher education program with the assistance and guidance from faculty. There are three distinct checkpoints for the portfolio: 1) at admission to the teacher education program (culmination of the introductory course-KIN 200; 2) at the designated methods course(s); and 3) at the culmination of supervised teaching. Completion of certification requirements is a four-step process. Students who receive a certification recommendation must meet the standards for certification eligibility as outlined below:

A. Requirements for Eligibility to Enroll in KIN 200: Before a student can enroll in KIN 200 the

following eligibility requirements must be met:

1. A valid ACT score on file if required by the University for admission purposes and/or Missouri Department of Elementary and Secondary Education
2. A combined (Missouri State and transfer) GPA of 2.75 or higher
3. Completed COM 115 with a minimum grade of "C" or concurrent enrollment in COM 115.
4. Complete KIN 210.
5. Completed at least 30 semester hours.
6. A highway patrol background check prior to any clinical experience placement (fee required).

Note: The Missouri Department of Elementary and Secondary Education will require an FBI background check prior to issuing a certificate.

B. Requirements for Admission to Physical Education Teacher Education (PETE) Program: Students who plan to complete teacher certification requirements must be admitted to the PETE Program. Application is automatically made when enrolling in KIN 200. Admission to the PETE Program is required before students are allowed to begin additional courses in the Physical Education Teacher Education component. Student application for admission to the PETE Program is complete when the requirements listed below are satisfied. Note: All of these requirements must be met before students are permitted to enroll in Physical Education Professional Education courses (KIN 411, 431, 440, 468, and 575)

1. A combined (both Missouri State and Transfer) GPA of 2.75 or higher
2. Passing scores on all five sub-sets of the Missouri General Education Assessment (MoGEA) and attained a minimum grade of "C" in COM 115. Refer to the MoGEA website for details. A student who fails to meet this criterion and who wishes to appeal may do so in writing. Such appeals shall be filed with the chairperson of the Professional Education Exceptions Committee.

3. Completed KIN 200 with minimum grade of "C"

4. Passed portfolio first checkpoint

5. A satisfactory background check on file

6. Complete at least 45 semester hours

C. Requirements for Continuance in the PETE Program: In order to progress through the PETE program a student must:

1. Maintain a combined (Missouri State and transfer) GPA of 2.75 or higher
2. Maintain a combined (Missouri State and transfer) GPA of 3.00 or higher in the major
3. Pass portfolio checkpoints
4. Complete Physical Education Professional Education courses with a minimum grade of "C"
5. Been admitted to the degree program

D. Requirements for Assignment to Supervised Teaching (effective fall 2017 and after)*: The criteria used to determine eligibility for Supervised Teaching are outlined below. The student must have:

1. Been admitted to the PETE Program
2. A combined GPA of 2.75 or higher for all college level course work completed
3. A statement from the Director of Taylor Health and Wellness Center that a tuberculin test or chest x-ray has been completed and that the student has not been identified as infected with a communicable disease
4. Completed at least 15 hours at Missouri State, with a GPA of 2.50 or higher for all work at Missouri State
5. A combined (Missouri State and Transfer) GPA of 3.00 or higher in major
6. Passed portfolio second checkpoint
7. Student advisor recommendation
8. Recommended by the Department of Health, Physical Education, and Recreation

*Additional fees are assessed for supervised teaching. Refer to the Tuition and Fees website for more information.

E. Requirements for Certification Recommendation (effective fall 2017 and after)*: To be recommended for an initial Missouri teaching certification the student must have:

1. Successfully completed Supervised Teaching
2. Met all Missouri teacher certification requirements which are in effect at time of certification
3. A combined (both Missouri State and transfer) GPA of 2.75 or higher
4. Completed professional education courses with a GPA (Missouri State and transfer combined) of 3.00 or higher and no grade lower than "C".
5. A combined (Missouri State and transfer) GPA of 3.00 or higher in the certificate subject area (major)
